INFORMATION SHEET ON THE SOCIETY

The Society was founded in the late 1970's to encourage and promote close and friendly relations between Ecuador and the United Kingdom in co-operation with the Embassy of Ecuador.

The aims of the Society are:

- a. To bring to the people of Great Britain a knowledge of the people, history, geography and culture of Ecuador, as well as intellectual and artistic interests in Ecuador. With this in view the Society may organize or sponsor various social and cultural events, lectures, concerts, films shows, art exhibitions, etc.
- b. To serve as a contact with anybody in the U.K. having an interest in, or connection with, both countries. This could include business and tourism.

From the annual subscriptions and the proceeds of the above-mentioned events the Society is able to provide funds for different charities in Ecuador mainly concerned with children in need.

The Society also co-operate with the Anglo-Latin American Foundation (ALAF) to support its fund-raising activities in aid of the Children of Latin America. Every two years ALAF organizes an Anglo-Latin American Fair where the Society runs an Ecuadorian food stall and also an Ecuadorian handicraft stand to raise funds for charities.

The Society is managed by a Committee, elected at the AGM, which meets regularly at the Ecuadorian Embassy.

Further information may be obtained from the Society's Web Page at www.anglo-ecuadoriansociety.org. You can also send us an email message on angloecuadorian@gmail.com
